## PETER \$5.00 PHCCC HUNT'S CAPE COD COOKBOOK

by

### Peter Hunt

Illustrated by the author

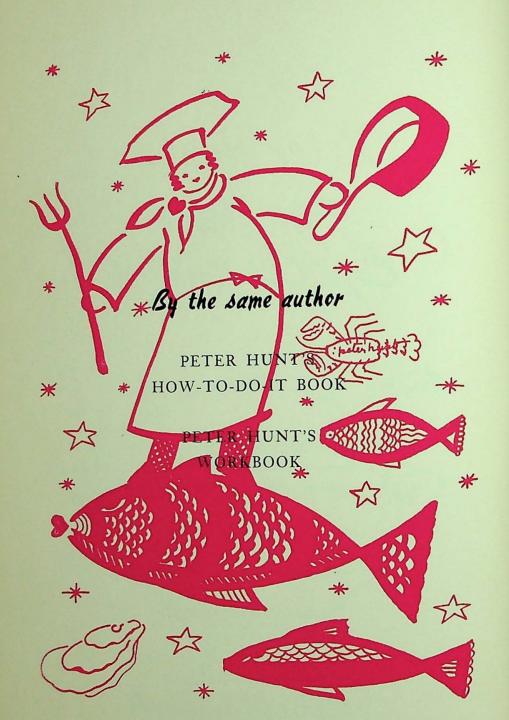

From Boston baked beans to grão de bico, from clam chowder to bouillabaisse, from beach plum jelly to red pepper jam—Peter Hunt's collection of Cape Cod recipes presents a wide variety of delectable dishes in his own inimitable style.

Cape Cod cooking, as enjoyed by the millions who visit Cape Cod annually, reflects the varied life of the Cape itself. There you will find good, oldfashioned New England cooking . . . sea food prepared with the special touch of those for whom the fruits of the sea are close at hand . . . Portuguese dishes made from recipes handed down by the fishermen who brought them from the Old World . . . exotic delicacies from all over the world carried home by the early whaling captains . . . and all-American contributions made by summer visitors from all the fortyeight states.

You will find recipes for all these Cape specialties — and many more — within the pages of this book, linked
