Framingham State College

Dear President McCarthy:

Thank you for your courteous response to my recent letter offering the old commencement programs which I found in the family papers of my father in law, Dr. Arthur Stone Brackett of Bristol Connecticut, but a native of Framingham, Massachusetts.

In response to your letter, I send you herewith the programs of graduating exercises on Feb. 7, 1860 and Feb. 3, 1863.

Respectfully yours,
