## Class Hymn — 1908

Words by Lotta Catherine Kingsley, of the Graduating Class

Together we stand, friends tested and tried,  
Together for aye, — though time shall divide;  
Together through trials and joys that have gone,  
Still comrades in spirit through efforts to come.

Together through far-reaching, purposeful years,  
Aspiring for righteousness, guiltless of fears,  
May we stand for the best our ideals can teach,  
And strive toward the goal that is just out of reach.

And Thou who has guided and onward shall lead,  
Still guide us and rule us in thought, word and deed.  
And grant, as we work in the strength of our youth,  
Each one of our number may Live to the Truth.
