The **Framingham State Food Study**, or **(FS)<sup>2</sup>**, is a clinical research study being conducted by Boston Children's Hospital (BCH), in partnership with Framingham State University (FSU) and Sodexo Dining Services (Sodexo) on the FSU campus. We are currently recruiting adults 18-65 years of age to join us for the third and final year of the study, which runs from August 2016 to April 2017.

The Town of Framingham is pleased to partner with **(FS)<sup>2</sup>** to offer our employees the opportunity to hear about the study and consider participation..

If you are interested in getting healthy, losing weight, and keeping it off, please join BCH and FSU researchers for a (free) LUNCH and LEARN on THURSDAY, APRIL 7, 2016!
