## SINGING OF THE CLASS HYMN

*Adapted from a poem by Dorothy Sheehan, '18 Music by Hazel M. White '18*

Dear Alma Mater, we come today  
To sing our thoughts to thee our friend;  
Within thy walls we find the light,  
The truth to which we all should bend.

Shed thou this light on life’s long road;  
Help us to nobly do and dare,  
To give our best to each day’s task,  
With each and all thy gifts to share.

Dear Alma Mater, fare thee well!  
We are going forth in joy of youth.  
We will keep thy precepts in our hearts,  
And first of all, “Live to the Truth.”

Presentation of Diplomas by Hon. Samuel L. Powers of the State Board of Education.

### SINGING — SCHOOL

“Land of Hope and Glory” . . . . . *Elgar*
